

Save the Pierce Farm

I (We), the undersigned, call for the Pierce College Farm to be made a State **Agriculture Preserve**. The Pierce Farm is a unique resource for community college students, helping to launch careers in agriculture, veterinary medicine, and environmental sciences. This beautiful, historic, and academically important jewel of our community should be protected from development and preserved for future generations.

Mail this petition to:
Susan Shelley for Assembly
20121 Ventura Blvd., Suite 206
Woodland Hills, CA 91364

These petitions will be collected by the Susan Shelley for Assembly campaign and presented to the Agriculture Department of Pierce College to help in their efforts to secure the designation of State Agriculture Preserve. Help us demonstrate the deep level of support in our community for the preservation of the Pierce Farm.
